- Project Management Training Course - Project Management Institute di Philadelphia USA
- Certificate PRINCE 2 – APMG-International.
- PMP Certification - Project Management Institute of Pennsylvania USA (ongoing).
- "Installare il sole" – Sun Power Plant Training.
- Public Illumination and technical procedures - University of Naples.
- Medium Voltage Training - Design and Installation - Siemens Italy.
- "Elektra Solar" - Training for Solar Power Plants.
- Fluid-Dynamic & MultiPhysic simulations in the Energy Industry – Esi Group, a partner to drive innovative and accurate simulation to check integrity in Energy Sector – Influence of welding residual stresses on the crack behavior of a bimetallic joint - Bologna - Savoia Hotel Regency.
- PRINCE 2 – APMG-International – Manens Tifs.
- Budget and Controlling Project Management.
- ENERGY MANAGEMENT by ABB Italy.
- Project Management Education – cover: project integration, scope, time cost, quality, human resource, communication, risk procurement and stakeholder.
- English Language Training.

Professional Experience

2018

Company: Tecnoimpianti Group srl (sub-Contract of F.Ili Zaffaroni srl)

Location: Milano

Qualification: Project Manager

Project: Construction and Installation of Electrical System on Torre Hadid – Citylife Milano Center – Fit-Out Project CMR - TCbTorre Hadid

2017 – up to November 2017

Company: Carlo Gavazzi Impianti – Bonatti Group on behalf of Petrojet/Petrobell

Location: Egypt – Port Said

Qualification: Project Director – Egypt Branch Manager – Carlo Gavazzi Impianti spa (Bonatti Group – EPC Italian Company)

Project: Zohr Development Project - Construction and installation of an offshore control and production platform connected to an onshore processing plant (gas treatment and pump station with Sulphur Recovery Unit R.S.U.) by means of subsea pipelines.

Installation/construction, pre-commissioning and commissioning all the Electrical & Instrumentation equipment (Cable Tray, Cable spooling, F&G Systems, Telecoms, Optical Fibre, Cable HV/MV and LV, etc...).

2016 – 2017

Company: Bilfinger Sielv

Location: Italy

Qualification: Project Director

Project:

- Construction and Installation of Electrical and Mechanical System (M.E.P.) on New Fedex Warehouse in Milano Malpensa Airport Cargo City. Total Amount € 4.000.000.
- Construction and Installation of Electrical and Mechanical System (M.E.P.) on New Handler Warehouse in Milano Malpensa Airport Cargo City. Total Amount € 4.200.000 end of jobs January 2017.

2015

Company: Novello Group on behalf of ENI

Location: Point Noire – Congo (Onshore and Offshore)

Qualification: Project Manager

Project: Revamping and Maintenance all the DCS/ESD/F&D equipment for ENI Congo for Offshore and Onshore project. It is a revamping project of DCS system and implementation of ICSS control system with a new control room.

2013 – 2014

Company: Manens Tifs

Location: Riyadh and Jeddah – Saudi Arabia

Qualification: Construction Manager.

Project: Construction Security Force Medical Cities in sponsored by Ministry of Interior of Saudi Arabia.

This is an Design and Build contract for erect two City Hospital: one in Riyadh and one in Jeddah In each project, there are three (2+1) Hospitals (Mother and Child, Old Patients) for an total of 1600 beds, plus 300 villas, plus single apartment for men, and women and area for the family, plus 4 mosques, supermarket, utility etc...

Location: Italy

Qualification: Construction Manager.

Projects:

- Public illumination design and installation in Quartiere Musicisti Phase 1 – Comune di Costabissara (VI).
- Public illumination design and installation in Municipality of Costabissara (VI) amount of job € 110.000.
- Public illumination design and installation in Quartiere Musicisti Phase 2 – Comune di Costabissara (VI)
- Public illumination design and installation in Municipality of Costabissara (VI) amount of job € 120.000.
- Public illumination design and installation in Strada delle Pignare – Comune di Costabissara (VI)
- Public illumination design and installation in Municipality of Costabissara (VI) amount of job € 130.000.

2011 – 2013

Company: ES-KO International (EPC Monegasque Company)

Location: Principality of Monaco (headquarter), Haiti, Kazakhstan Afghanistan, Luxemburg, Nigeria, Senegal, Pakistan, Burundi

Qualification: Operation Manager

Projects:

- Republic of Haiti:
 - Temporary Academy School for the Police in Port au Prince from Canadian Cooperation, Total Amount, 2.000.000 di UDS.

2001 – 2003

Company: Free Consultant

Location: Italy

Qualification: Project Engineering Manager

- ULSS No. 6 di Vicenza Italy (for Rizzato Impianti s.r.l.) Government Local Unit for Health Care No. 6 Vicenza Ordinary and extraordinary building maintenance, electrical substation and mechanical plant. Project manager and site manager. Total Contract amount € 2.202.000,00

1999 – 2003

Company: Dimast Srl

Location: Italy

Qualification: General Manager

- Precision Equipment for Jewellery and gold manufacturing.

1993 – 2000

Company: Rizzato Impianti Srl

Location: Italy

1997 – 2003

Qualification: Site Manager

- ULSS No. 3 di Bassano Italy (for Rizzato Impianti s.r.l.) Government Local Unit for Health Care No. 6 Vicenza Ordinary and extraordinary maintenance of the buildings and electrical substations. Electrical and mechanical works. Total Contract amount £ 2.522.200.000 = € 1.302.607,60).

1993 – 1997

- Qualification: Project Manager
Rizzato Impianti s.r.l. Italy (Freelance) – Design and Project Manager for set-up and start-up for the electrical and cooling system related to Telecom Italia buildings and equipment.

1992 – 1996

Company: Free Consultant

Location: Italy

Qualification: Project Engineering Manager

- Faimond srl Italy – Design, set-up and star-up for electrical and mechanical system for gold machine and Pharmaceutical equipment. Pc on-board, PLC-CNC, synoptic screen, motor: step by step, brushless, CC, cooling system, vacuum system, oil system, supervisor system, etc..

1991 – 1994

Company: Triveneta Automazioni

Location: Italy

Qualification: Electric and Electronic Engineer

- Automations for sliding gates and garage doors both here at home and abroad.

1990 – 1993

Company: Studio Cegalin

Location: Vicenza - Italy

Qualification: Electric and Electronic Engineer

- Electric and Electronic Design Projects, System Supervisor.

1987 – 1991

Company: Gonella Srl

Location: Italy

Qualification: Electric Engineer

- Design and commissioning of Electrical Transformers, dry type, in silicon or mineral oil and cast resin type, for low Voltage and high Voltage.

1986 – 1987

Company: Solar Design Snc

Location: Italy

Qualification: Electrical Supervisor

- Responsible and supervisor, for electrical panel and electrical equipment (Generators).

1985 – 1986

Company: Mixer Srl

Location: Italy

Qualification: Electrical Supervisor

- Responsible for the electrical equipment maintenance for civil infrastructures.

1983 – 1984

Company: M.V.R. Motori Ventilatori Riduttori Spa

Location: Italy

Qualification: Storekeeper and Expediting

- Storekeeper and shipping department employee

Best regards
Stefano Peruffo
